2027 SDYSA PRAIRIE LEAGUE

SDYSA's mission is to create a soccer environment where every player, club, and community has meaningful opportunities to play, develop, and compete.

The next step in developing this environment is through a league structure that is accessible, appropriate, sustainable, and responsive to the realities of South Dakota.

Last week we had over a dozen club leaders join us for a hybrid meeting to discuss the implementation of the SDYSA Prairie League in Spring 2027.

There will be more information coming out shortly-stay tuned to our website and socials for information! Until then, check out our 'Prairie League at a Glace' document HERE.

It's time to crown the BEST OF THE BEST!
